

LOCKS SAILING CLUB

ANNUAL GENERAL MEETING HELD ON MONDAY 1ST OCTOBER, 1990

The minutes of the 1989 A.G.M. were read and confirmed by
M Tremlet, seconded by M. Levesconte.

COMMODORE'S REPORT

George Cole thanked the committee for their help and support,
making his task easier.

With over 200 Members it is recognised that one cannot please
everybody, but no recall divisions detract from the primary
aim which is Rule 2.

A healthy number of applicants for membership this year.

The Bosun, Peter Ashbourne, with help from John Pilgrim,
achieved the daunting task of fitting all boats into com-
pound although some misgivings through the season. Thank you.
John was unable to help throughout the season, due to pressure
of work. Managed to fit all dinghys into compound who
wished to sail; although the committee were disappointed,
despite excellent weather, too many boats did not sail.

Thank you, Ron Pilgrim for nursing rescue boat throughout
the year.

Thank you also to John Reynolds, Brian Holden and helpers
for organising junior events.

Locks, did well in R.N.L.I. Raft Race, thanks to Richard
Sanigar, helpers and competitors.

Two Regattas this year, sailing and swimming. The swimming
events are important to us, so thanks to John Austin for
organising, also the money collectors, Kay Noel and Sally
Reynolds.

Bonfire night seems traditional. This year we had a collec-
tion for fireworks. Thanks to Anne Chamberlain and Len Tyler
for a successful evening.

A quieter Christmas Eve this year. Arthur will close on the
last day of festivities through lack of support. The Commodore
thanked John and Arthur on the clubs behalf. We rely on them
for all occasions. The new committee is to consider bar
progress for the future.

Thank you, Mick Tallant, printing of tickets for social events.

To start the season we had a fitting out dance at Melvilles,
thanks, to Sue Clarke.

Also thanks to many unseen helpers.

/.....

Your future Commodore, Ted Ball, attends to many unseen jobs around the club, lights, hot water etc., thank you, Ted.

Thanks to Tony, Pat and helpers for successful barbecues this year.

Publicity good this year, thanks to Pauling New.

Tony Pearce undertaking the re-decorating of clubroom. As soon as plans passed, work will begin on new entrance.

Thank you to Reg Hooper for looking after the club's outside interests, 'The Marina Was Not Built On'.

Terry Clarke as the Membership Secretary was instrumental to promoting the essence of the club to prospective members. The Commodore was sorry to lose him towards the end of the season.

Stepping in after David Green, as Treasurer, Sandra Sanigar has made sure accounts and cash are flowing efficiently, thank you.

A few failures this year; lost identity on mooring bouy. We are now blue and white, instead of red and white.

More sailing members would like to be seen at monthly meetings, so your views can be aired. We do have talks after meeting to encourage attendance.

Parking is becoming a problem. We should not upset the neighbours by indiscriminate parking on yellow lines; they are structuring a petition.

The position of an Honorary is given to John Druce, for many years of unstinting work organising racing events, etc. Without his efforts, the club would be without quality. Well done John.

All activities reported.
Pat Pearce thanked for secretarial work through the year.

Thank you all for your support. Locks Sailing Club is on course.

HAPPY SAILING - WE DO IT FOR FUN.
