

LOCKS SAILING CLUB

ANNUAL GENERAL MEETING 1987 Held on Monday 5th October 1987.

APOLOGIES FOR ABSENCE:

Received from D. Godfrey, Mike Wright, Chris Shinar, Ted Ball and Peter & Daphne Leask.

The minutes of the 1986 Annual General Meeting were read confirmed by the Chairman and seconded by J. Ayling.

COMMODORE'S REPORT: Due to the Commodore being away, this was read by George Cole our Vice Commodore.

The past year had had its problems for those on the Committee and the Commodore wished to thank each and everyone of them for their support and work throughout the year.

The only retiring officer was the Secretary who was succeeded by Mike Preater, and warmly welcomed by the Club. A gift was presented by the Commodore's lady to Mrs. Cook on behalf of the club for appreciation of work involved during the past year.

Arthur Vail was wished well on his move to his new home, fortunately this would make no difference to Arthurs contribution to the club for which we are grateful.

Racing this year had been enjoyed by allmembers, the Juniors have progressed greatly thanks for J. Reynolds and Paul Knowlson. One of our one time juniors John Tremlett is now involved with testing the younger members in the R.Y.A. sailing proficiency schemes and we are justly proud of him.

Working parties have achieved a great deal and these will be repeated next year, if anyone should wish to help please do not hesitate to approach any member of the Committee. Many handimen have been very willing to do jobs around the Club, and our social functions are running well due to Anne Connolly and Sandra Sanigar. The Wind Speed indicator is a good reminder of the Solent Cruise without which this would probably not have been achieved.

We hope that our 5 year plan for the club maintenance commitments will continue and all items will be fully justified against our programme, even an increase of subscriptions.

The year our 80th year, has seen a very generous present from John & Peggy Milne, who celebrated their 50th Wedding Anniversary and commemorated this with presenting the club with a new starting hut, for which we are very grateful.

We have enjoyed our links with Tudor Sailing Club and have retained our link with the LHF Association.

The Commodore wished to thank George Cole as Vice Commodore who had stepped in for him on more than one occasion. Hopefully this coming year George would not be lumbered so much.

Treasurer's Report.

Our Treasurer thanks those members who helped in the handling of monies and in their keeping good accounts, also a thankyou to P. Ashbourne who has helped with VAT returns.

VAT is paid on nearly all our income now, some can be reclaimed and as we have during this year paid for Central heating purchased radios and a new outboard for the rescue boat, also the increased costs of running the club, gas electricity etc. the Committee have set the dues for this year at:

Entry Fees - Individual - £25.00

Family - £40.00

Subscriptions - Individual - £12.00

Family - £24.00

Cadet - £3.00

Juniors - £2.00

Compound fees at 20p. per unit

Associate members as at present £10.00

The treasurer then went over accounts, P. Ashbourne queried charge of Harbour Board Dues, but was assured that these would not be increased further unless there was an extortionate rise imposed by the Board.

It was proposed that the Club accepted the accounts as shown Proposed by the Chairman seconded by M. Visconti.

Sailing Secretary's Report :

John thanks his helpers Richard ^{PANK, MICK BLINDEN} & also Sandra and Annie who stood in frequently as O.O.D.

Generally he felt that this year had been an easy year, tides nearly always high and winds light.

Juniors had done well, taking quite a few of the senior trophies as well. Locks had been well represented - Ian Farr and J. Austin started by attending Inland Masters Championships at Chew Valley in March. J. Tremlett and J. Austin attended Laser Championships, J. Tremlett & Roger Kent came 10th and 28th in Youth Europeans at Weymouth. Sarah Anderson attended the Womans Worlds in Greece and came 14th. Locally also these members again came out well and our Juniors also did us proud in their events.

Locks again won the series with Tudor and had more than their fair share of prizes in other Langstone Harbour regattas. The I.O.W. trips were a success and finally, he felt that it had been a successful racing year, handicapping now working better than in previous years.

Cruiser Report- George Cole reported that the Round Island had been called off due to weather. Locks won the trophy from Taday Cruisers. Reg Chamberlain had been missed but it was hoped he would be back on the water next year.
